CEILING MOUNT

The Perfect Finish for Your Garage

Eliminate Exposed Wires and Cords

It's time to give your garage the style it's been missing with this sleek ceiling mount from LiftMaster®. Designed to fit most standard garages, the black powder-coated mount hides wires and cords for a cleaner, contemporary, upgraded look.

- Mounts vertically or horizontally to suit your space
- Adjustable height to fit most ceilings – hangs 6.5 to 24 inches down from ceiling

Go from an Unfinished Look

To a Stylish Design

Complete the Look

Adjustable Door Bracket (190LM)

These premium white powder-coated brackets match your door for a more unified look.

Ask your installer how this simple upgrade can enhance your garage door's appearance.

Complete the Package

LiftMaster Internet Gateway (828LM)

Connect your MyQ-enabled garage door opener and accessories to the Internet with this device.

Wireless Keyless Entry (877MAX)

Open or close the garage door instantly with a private 4-digit code.

Program temporary access codes for visitors or delivery and service personnel.

One-button-to-close feature works with all LiftMaster garage door openers manufactured since 2006.

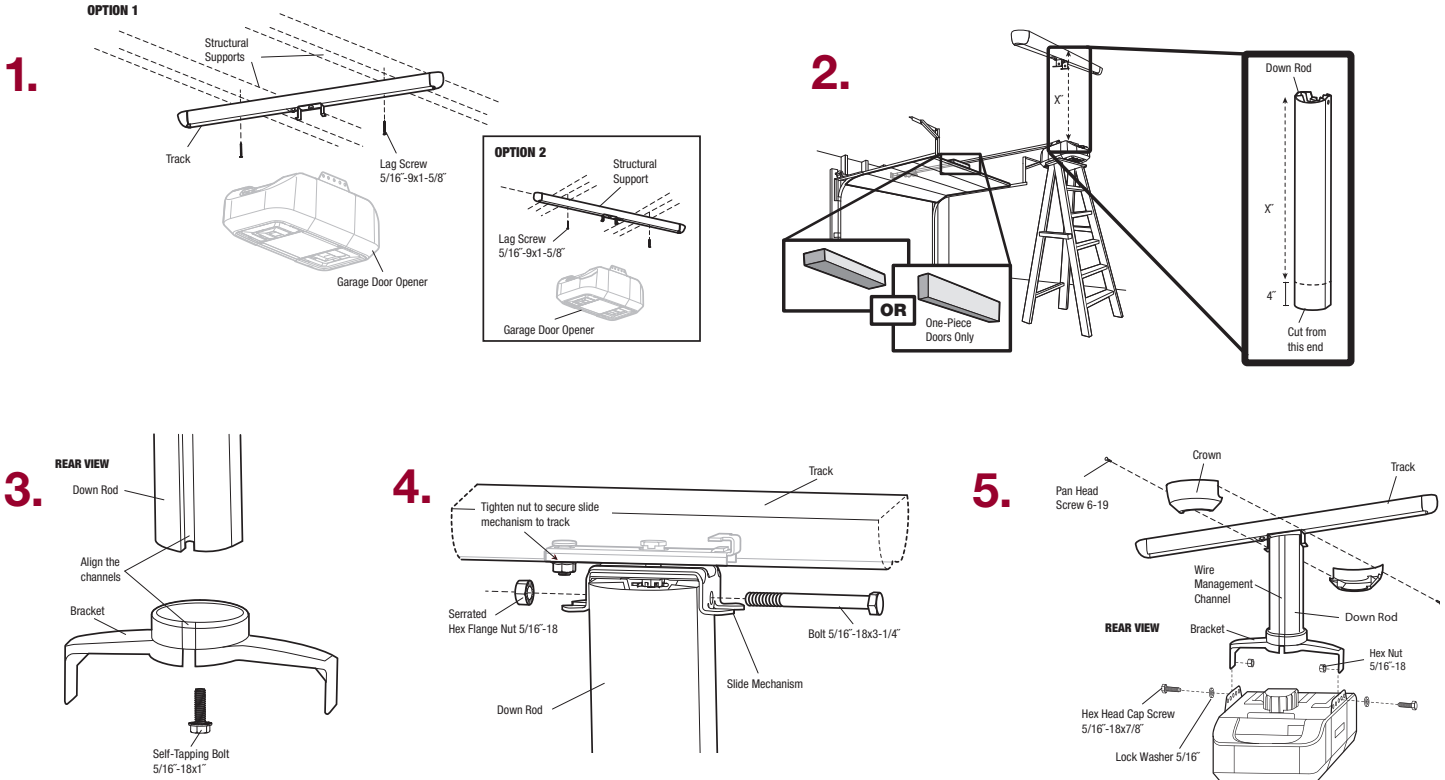

3-Button Elite Remote Control (895MAX)

Allows you to control up to three openers, gates or MyQ-enabled light devices. Sleek contoured design with bright blue LED lights.

195LM INSTALLATION GUIDE

Refer to product manual for detailed instructions.
