## PROGRAMMING 2 AND 4-BUTTON REMOTE CONTROLS

# **A WARNING**

To prevent possible SERIOUS INJURY or DEATH from a moving gate or garage door:

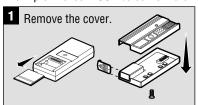

- ALWAYS keep remote controls out of reach of children. NEVER permit children to operate, or play with remote controls.
- Activate gate or door ONLY when it can be seen clearly, is properly adjusted, and there are no
  obstructions to door travel.
- ALWAYS keep gate or garage door in sight until completely closed. NEVER permit anyone to cross path of moving gate or door.

To prevent possible SERIOUS INJURY or DEATH:

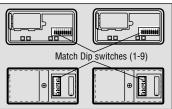

- NEVER allow small children near batteries.
- If battery is swallowed, immediately notify doctor.

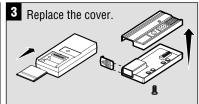

#### SECTION A - PROGRAMMING THE REMOTE CONTROL TO DIP SWITCH DEVICES

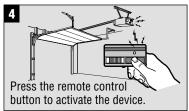

The Dip switches MUST be set to matching positions in all remote controls used to operate the same device. Follow the instructions described and shown below.

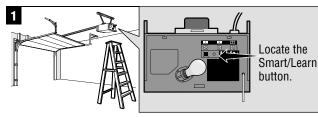

Place the old and new remote controls side by side. Set the Dip switches 1 through 9 to matching positions in all remote controls. Use a pen or screwdriver to move the switches to +, - or 0.

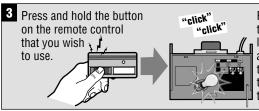

## SECTION B - PROGRAMMING THE REMOTE CONTROL TO SMART/LEARN BUTTON DEVICES

Release the button when the garage door opener lights blink or two clicks are heard. If programming to other products, press the button a second time to activate the product.

### TO ERASE ALL CODES FROM MEMORY

When deactivating any unwanted remote control code, all previous codes will be erased.

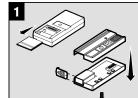

Press and hold the learn button on garage door opener or other product until the learn LED goes out (approximately 6 seconds). All previous codes are now erased. Reprogram each remote control you wish to use.

## For service, dial our toll-free number:

1-800-528-9131

### THE REMOTE CONTROL BATTERY

The battery should produce power for at least one year. If the green LED is dim or does not come on, replace the battery.

- 1. Remove the cover.
- 2. Remove and dispose of the old batteries properly.
- 3. Replace the batteries with the same size and type of battery.
- 4. Replace the cover.
