

BX-243 SERIES

RESIDENTIAL SLIDE GATE OPERATOR

Compact, Modern Solution for Residential Slide Gates

LiftMaster®, the industry leader in gate access systems in North America, has partnered with Italian manufacturer CAME Access Automation. The integration of LiftMaster's Security+ 2.0™ radio technology with CAME's sleek Italian design allows us to offer a complementary line of residential gate operators backed by our unmatched sales and service support.

The compact, cost-effective BX-243 slide gate operator has a small footprint, making it perfect for many residential applications.

When you choose the BX-243, you'll get choice features:

LiftMaster® Security+ 2.0™ radio technology

2x the range of standard remotes

On-board receiver provides a single remote solution for gate and garage access

Compact design is easily hidden

24V DC motor with soft stop moves up to a 25 ft. gate and 660 lbs.

Partial opening feature for motorcycle access

Simple manual disconnect for emergency operation

Timer-to-Close automatically closes the gate after preset time

Available in **Chain or Rack and Pinion Drive**
